

SAFEGUARDING POLICY

Charity No 1183575

Safeguarding is the responsibility of Everyone

Wivey Cares recognises that the welfare of vulnerable adults is paramount and that they all, regardless of ability or culture, have equal rights of protection. Wivey Cares has a duty of care and will do everything it can to provide a safe, caring, and secure environment for clients, micro providers and volunteers. Wivey Cares ensures that its policy and any associated policies and procedures and training comply with statutory requirements and reflects available guidance on good practice in safeguarding vulnerable adults, and that safeguarding arrangements are proportionate to the risks involved.

Vulnerable Adult: *The definition of vulnerable adult in “Who Decides?”(Lord Chancellor’s Office 1997)” and as used in this document is anyone who is over 18 who:*

- *Is or may be in need of community care services by reason of mental or other disability, age or illness; and*
- *Is or may be unable to take care of himself or herself; or*
- *Is unable to protect themselves against significant harm or serious exploitation.*

Wivey Cares designated Safeguarding Officer is David Patterson. He can be contacted on 07508 331661, or email david@wiveycares.net.

The Safeguarding Officer oversees and ensures that Wivey Care’s policy is fully implemented, and that committee members, trustees and volunteers and Micro Providers are fully supported to comply with the Safeguarding Policy. This will include ensuring that volunteers and Micro Providers who have regular contact with vulnerable adults and other senior managers and support staff receive safeguarding training. The DSL will receive and deal with any complaints made against staff in terms of safeguarding.
